AMENDMENT

Sir:

In response to the September 12, 2002 Office Action, please amend the above-identified application as follows:

In the Claims:

Amend claim 1 follows:

1. (Twice Amended) A retrofittable, wireless power supply device, comprising:
- a housing having a form factor equal to that of a conventional wired power supply device;
 - a self-contained, non-renewable power generation module within the housing, the power generation module comprising:
 - a DC power generator, the DC power generator capable of generating DC power for use in an electronic device, and
 - a DC/AC converter that generates AC output power using the generated DC power; and
 - one or more AC power output connections, connections, wherein the retrofittable power supply device replaces the wired power supply device.

REMARKS

Claims 1-13 are pending. By this amendment, claim 1 is amended. No new matter is introduced. Reconsideration and allowance of the claims in view of the above-amendments and the remarks that follow are respectfully requested.
